OVERVIEW OF FY24 ANNUAL REPORT FILED WITH THE COMPTROLLER'S OFFICE

Patrick Ainsworth informed the Board that this TIF was established in 2017, and it is generally located along the southern border of Crest Hill which encompasses the former City Hall property. Mr. Ainsworth discussed the fund balance and the consultant costs associated with this TIF District. One of the consultant charges was related to helping prepare the former City Hall property for market.

There were no questions regarding the Annual Report.

UPDATE ON ACTIVITIES IN THE REDEVELOPMENT PROJECT AREA

Patrick Ainsworth went over the private improvements of Fullers Car Wash on Larking Avenue. There was no TIF assistance provided for this project.

Ron Mentzer explained that the former City Hall property is now under contract with QuikTrip Corporation to help develop a gas station and convenience store. He explained that there was a recent contract extension for the purchase and sale agreement. There will be an entitlement application forthcoming. Mr. Mentzer also talked about the possibility of this property coming back on the tax rolls once the property is activated with a private development.

Question from Scott Pointon. He asked about the size of the existing TIF District. Mr. Ainsworth passed out a map showing the TIF District boundary and size which encompasses more than the former City Hall property. A discussion also took place about the life of a TIF District.

There were no further questions or comments.

Bill Gallagher moved to adjourn the JRB meeting at 2:11 p.m., seconded by William Blaskey, motion carried.
