RE: Opinion of Legal Counsel regarding Village of Crete, Will County, Illinois, TIF No. 3 Annual Financial and Compliance Report for Fiscal Year Ended April 30, 2024

Dear Mr. Smith:

Please accept this correspondence as our legal opinion in support of the Village of Crete's (the "Village") annual Financial and Compliance Report (the "Annual Report") under 65 ILCS 5/11-74.4-5(d)(4) for Village of Crete TIF No. 3 (the "TIF District") in the fiscal year ended April 30, 2024. Our office is acting as the Village's special tax increment finance counsel in connection with said TIF District.

It is our opinion that the Village is in compliance with the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1, *et seq.*) (the "TIF Act") as of the date of this letter, with the exception that the Village has not yet conducted the annual meeting of the Joint Review Board. Please take note that this opinion is based upon our review of the Annual Report, and further made in reliance on representations made by officers and employees of the Village with respect to: (i) proceedings preliminary to, in connection with, and related to the adoption of tax increment finance for the TIF District; (ii) approval of the redevelopment plan and redevelopment project for, as well as the designation of, the TIF District; (iii) approval and payment of eligible costs within said TIF District; and (iv) other information provided by the Village.

Please take note that our opinion is given without making any independent investigation or inquiry in connection with any of the foregoing. Rather, nothing has come to our attention that would tend to contradict the information supplied to us by the Village or otherwise lead us to conclude that the Village is not presently in compliance with the TIF Act as of the date of this

Letter. We express no opinion as to the (i) sufficiency, accuracy, or completeness of the Annual Report or (ii) the authorization, execution, and binding effect of any development, redevelopment, or other similar agreement(s) related to the TIF District. This correspondence constitutes the "opinion of legal counsel" under the Act and may not be cited, or used, or relied upon in connection with anything other than submission with the Annual Report.

If you have any questions regarding this correspondence or the opinions herein provided, please do not hesitate to contact the undersigned.

Sincerely,

SPESIA & TAYLOR

FY 2023/2024

- No major expenses were incurred.

Future Plans. Potential projects for the upcoming year:

- We anticipate spending TIF funds as match money to do a complete reconstruction of Burville Road from Main Street to State Street.
- We anticipate using TIF funds to extend sewer west along the Old Monee Road ROW to service a new industrial user.
- We anticipate using TIF funds to extend Old Monee Road approximately 2,800 feet further to the east from its current endpoint.
- We anticipate using TIF funds to provide financial assistance to companies located along Old Monee Road to be used for expansion of operations.
- We anticipate re-laying the sanitary sewer on Hartmann Drive to a greater depth to allow it to become accessible to a larger area of land.
- We anticipate purchasing a piece of mowing equipment for use on Village owned property in the district.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH PUBLIC ACT 85-1142

The Village Trustees and President Michael Einhorn
Village of Crete, Illinois

Opinion

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of Crete, Illinois (the Village), as of and for the year ended April 30, 2024, and the related notes to the financial statements, which collectively comprise the Village's basic financial statements, and have issued our report thereon dated March 31, 2025, which expressed an unmodified opinion on the financial statements.

We have also audited the Village's compliance with the provisions of subsection (q) of Illinois Compiled Statutes 65 (ILCS) 5/11-74.4-3 of the Illinois Tax Increment Redevelopment Allocation Act (Illinois Public Act 85-1142) for the year ended April 30, 2024, for Tax Increment Financing (TIF) District #3.

In our opinion, the Village complied, in all material respects, with the requirements of subsection (q) of Illinois Compiled Statutes 65 (ILCS) 5/11-74.4-3 of the Illinois Tax Increment Redevelopment Allocation Act (Illinois Public Act 85-1142) for the year ended April 30, 2024, for TIF #3 as mentioned in the second paragraph.

Basis for Opinion on Compliance

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Village and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance. Our audit does not provide a legal determination of the Village's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements referred to above.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Village's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Village's compliance with the requirements referred to above.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Village's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Village's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant findings of noncompliance, and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.
