Facade Program/Sign/Retail Business Grant – During 2018, resolutions adopting the Façade (R-110-2018), Sign (R-111-2018) and Retail Business Grant (R-109-2018) programs were approved by the City Council. The programs are now available for businesses in the North York Street Redevelopment Project Area. The programs set criteria and guidelines for businesses looking to invest and/or reinvest in economic development. During 2021, funding for the three grant programs totaled \$14,000.

Special Service Areas - Previously, the City established two Special Service Areas (SSA #6 and SSA #7) within the Central Business District. The two special service areas replace the original SSA (#2) that had a ten-year term. SSA #7 also had a ten-year term and expired in 2014. The City Centre, Inc. (C.C.I.) receives funds for operating from a Special Service Area Real Estate Tax. The C.C.I. has elected its own Board of Directors, has retained full time staff and developed a work program for promotion of and coordination of advertising and events within the downtown area. The parcels south of North Avenue are located within the boundary of SSA #6. During FY 2016, the City received an Order of Disconnection of certain property from SSA #6. The properties disconnected from SSA #6 include the residential properties of the Elmhurst 255/Morningside project. During FY 2021, C.C.I. received SSA funds in the amount of \$12,541.

Other Public Improvements

In 2021, the City began engineering to design the North York sidewalk and the North York resurfacing projects. The City also resurfaced Addison between Diversey and Wrightwood.

Tax Increment Financing District Management –

During 2018, the City and Elmhurst CUSD 205 signed a Memorandum of Understanding (MOU) agreeing to develop and enter into a Comprehensive Intergovernmental Agreement (IGA) that would include storm water management improvements in the City and improve District 205's facilities. One of the terms in the MOU includes the City porting \$1,500,000 from the Central Business District RPA (TIF I) for District 205 facility improvements. All or a portion of the funds could be ported to the North York RPA (TIF IV) and/or the Downtown RPA (TIF VI) and if funds are ported to the North York RPA, the amount would not diminish the obligation under the current IGA. Additional terms are also included relating to the 2004 IGA associated with the CBD TIF and the establishment of the Downtown TIF. On December 16, 2019, the Comprehensive IGA was approved. During FY 2020, the City ported \$1,500,000 from the Central Business District RPA (TIF I) to the North York RPA (TIF IV) for District 205 facility improvements within the TIF IV redevelopment project area.
