(May 1, 2022 – April 30, 2023)**

Attachment D – Activities Statement

The following activities were undertaken in furtherance of the objectives of the Empire Street Corridor Redevelopment Plan:

1. On March 14, 2016 the City Council adopted Ordinance 2016-18 approving a redevelopment agreement with BT Bloomington LLC (BET Investments) to support the renovation of the Colonial Plaza shopping center (now known as Empire Crossing). Per the agreement, the Developer is to receive \$4 million in incremental property tax and sales tax rebates to support the Developer's \$11,865,720 investment in the shopping center.

- During calendar year 2018, the sales of the new to the city retailers exceeded the minimum annual gross sales requirement of \$20 million. Therefore, during FY 2019, the City issued a rebate payment of \$244,802 to the Developer constituting 75% of the incremental property taxes paid by the Developer to the McLean County Treasurer for tax year 2017 payable 2018. This rebate payment (the first under the agreement) reduced the outstanding balance owed to the Developer by the TIF Fund to \$1,565,190.

Also in FY 2019, coinciding with the rebate of incremental property taxes, the City issued a rebate payment to the Developer of \$228,748 constituting 33.33% of the City's local sales taxes (non-TIF funds) generated by the new to the city retailers during calendar year 2018. This FY 2019 rebate payment of sales taxes (the first under the agreement) reduced the outstanding balance of sales tax owed to the Developer by the City to \$1,961,260.

- Due to the COVID-19 pandemic, on March 20, 2020, Governor Pritzker issued Executive Order 2020-10 directing that all non-essential business and operations must cease, aside from minimum basic operations. As a result of the executive order, the new to the city retailers (Dick's Sporting Goods, HomeGoods, DSW Shoes, Five Below, Orange Theory Fitness, and Carter's OshKosh B'Gosh) and the existing non-essential retailers in the shopping center temporarily closed and were not permitted to reopen until May 29th (operating at reduced capacity and with other restrictions).
- Due to the delay by the Illinois Department of Revenue in reporting sales tax data to the City, it was not known by the City until March 2020 that, during calendar year 2019, the sales of the new to the city retailers did not achieve the minimum annual gross sales requirement of \$20 million. After obtaining the 2019 sales data, the City issued a notice of default to the Developer as called for under the agreement. In July 2020, as a result of negotiations between City staff and the Developer, the City and the Developer agreed to amend the 2016 agreement to take into account the effects of the COVID-19 pandemic which began to impact retail sales in February/March 2020. As agreed to in the amendment, the City did not issue a rebate of incremental property tax or sales taxes for calendar year 2019 sales (FY 2020). The City will continue to honor the original terms of the agreement and make rebate payments annually to the developer, but only in years when the minimum annual gross sales requirement is achieved. The Developer agreed to forgo its right to claim Force Majeure throughout the term of the redevelopment agreement.

2. On October 24, 2016, the City Council adopted Ordinance 2016-117 approving a redevelopment agreement between the City and Magnus Hotels LLC (Milan Hotels) to support the redevelopment of the then distressed hotel property at 604 ½ IAA Drive. During FY 2019, the redevelopment of the former Baymont Inn into a Best Western Plus was completed with a certificate of occupancy being issued on August 1, 2018. Per the agreement, the Developer is to receive rebates totaling \$675,000 in incremental property tax and city hotel / motel tax rebates to support the Developer's \$6.1 million investment in the hotel property. During FY 2020, the City issued a rebate payment of \$939.95 to the Developer constituting 75% of the incremental property taxes paid by the Developer to the McLean County Treasurer for tax year 2017 payable 2018. Coinciding with the rebate of incremental property taxes, the City issued a rebate payment to the Developer of \$53,212.02 constituting 100% of the City's hotel / motel taxes (non-TIF funds) generated by Developer for the months of December 2018 through October 2019. Combined, these rebate payments (the second under the agreement) reduce the outstanding balance owed to the Developer by the TIF Fund to \$609,757.10.
3. On April 9, 2018, the City Council adopted Resolution 2018-22 designating a portion of the IAA Drive and Fairway Drive improvement projects as TIF-Eligible expenses. Both of these projects further the objectives of the TIF Redevelopment Plan to “upgrade public works improvements” and “provide for safe and efficient traffic circulation within the Area” (p. 27-28).
 - Upon the City's completion of both projects, it was determined that the total TIF eligible costs were \$640,137.40.
 - During FY 2019, the TIF Fund reimbursed the City's Capital Improvement Fund \$141,994 for the portion of the project that was completed during FY 2019.
 - During FY 2020, the TIF Fund reimbursed the City's Asphalt & Concrete Fund \$328,784.
 - During FY 2021, the TIF Fund reimbursed the City's Asphalt & Concrete Fund the remaining balance of \$169,359.
4. On August 27, 2018, the City Council adopted Resolution 2018-49 designating the project to relocate the traffic control box at the northeast corner of Locust Street and Colton Street as a TIF-Eligible expense. The project was completed in November 2018 for approximately \$20,000.
5. On June 27, 2022, the City Council passed Resolution 2022-24 allocating an amount not to exceed \$135,000 in TIF funds to the Connect Transit project to install new ADA accessible landing pads, accessible ramps, shelters with solar lighting, public sidewalks, and other safety enhancements, all in the right of way along IAA Drive. The project is expected to be completed in FY24 and the funds are expected to be dispersed in reimbursement to Connect Transit in FY24.
6. With the assistance of PGAV Planners and Kathi Field Orr and Associates, City staff consulted with multiple developers considering projects within the TIF District.
7. City staff continued to market opportunities available within the TIF District.

Independent Auditors' Report on Compliance

To the City Council of
City of Bloomington, Illinois

We have audited the financial statements of the City of Bloomington, as of and for the year ended April 30, 2023 and have issued our report thereon dated October 25, 2023. We conducted our audit in accordance with auditing standards generally accepted in the United States of America.

In connection with our audit, nothing came to our attention that caused us to believe that the City of Bloomington Empire Tax Increment Financing Fund failed to comply with provisions of Subsection (q) of Section 11-74.4-3 of Public Act 85-1142, "An Act in Relation to Tax Increment Financing", insofar as it relates to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the City of Bloomington's noncompliance with the above-referenced statute, insofar as it relates to accounting matters.

This report is intended solely for the information and use of the Board of Trustees, management, the State of Illinois, and others within the City of Bloomington and is not intended to be, and should not be, used by anyone other than the specified parties.
