Re: City of Springfield TIF Certification

Dear Ms. Mendoza,

In my capacity as legal counsel for the City of Springfield, I have reviewed the procedures of the City in relation to the requirement of the Public Act [65 ILCS 5/11-74.4-5 (d) (4) and 5/11-74.6-22 (d) (4)]. In my opinion, the City of Springfield is in compliance with the Tax Increment Allocation Redevelopment Act [65 ILCS 5/11-74.1 *et seq.*], for each redevelopment project area in the City, namely, the Central Area (Downtown), Far East, Enos Park, SHA (Madison Park Place), Northeast, Jefferson Crossing MacArthur Boulevard Corridor, Dirksen Parkway Commercial, Peoria Road, and Lumber Lane Tax Increment Finance Districts.

Yours truly,

A. Purpose of Agreement

The purpose of this Agreement is to provide funds to Redeveloper in order to develop the Site consistent with the terms and conditions of this Agreement. Only work that is reimbursed with the Redevelopment Assistance shall be governed by this Agreement.

B. Redevelopment Assistance to the Redeveloper

1. The City agrees, upon the terms and conditions in this Agreement, to provide Redevelopment Assistance from the TIF increment generated by the Project in an amount not to exceed One Million Five Hundred Thousand dollars (\$1,500,000.00) to assist Redeveloper with the Project. Redevelopment Assistance shall only be used by Redeveloper for eligible expenses which do not include new construction costs as proscribed in the Enos Park Neighborhood Tax Increment Redevelopment Plan and The Tax Increment Allocation Redevelopment Act, as amended 65 ILCS 5/11-74.4-1, et seq.

Redeveloper shall fulfill all contingencies and request reimbursement within 24 months of the date this Agreement is signed by the City. An extension may be granted upon mutual agreement of the Parties. If funds are not accessed within the 24 month period, or mutually agreed upon extension, the City has the right to terminate or suspend the Assistance and the ordinance. This Agreement does not authorize an expenditure of City funds in excess of the amount authorized by the City Council unless the City Council specifically approves an additional expenditure. Redeveloper agrees and acknowledges that absent such prior approval, it proceeds at its own risk with no guarantee of payment if the amount billed to the City exceeds the amount authorized by the City Council.

C. Undertaking of Redeveloper

The Redeveloper agrees to rehabilitate the structures situated thereon in accordance with the law and this Agreement. Redeveloper further agrees to invest gross funds in sufficient amounts to complete the Project.

I. Recapture of Grant Funds

If the Redeveloper does not comply with this Agreement, the Redeveloper shall, within sixty (60) days of notice of default by the City, repay to the City the amount of any funds disbursed. The City shall have the right to enforce this Agreement by an action at law or in equity, for any form of relief that may be available under Federal, State or local law including recapture of all grant proceeds disbursed.

For more information regarding current prevailing wage rates, please refer to the Illinois Department of Labor’s website at: <http://www.illinois.gov/idol/Laws-Rules/CONMED/Pages/prevailing-wage-rates.aspx>. All contracts issued for such work shall expressly contain the requirements of this provision. All contracts for construction pursuant to the construction work shall provide that all contractors and subcontractors furnish contractor’s affidavits in the form provided by state statute and that the waivers of lien be required for all payments made, and Redeveloper agrees to require all contractors and subcontractors to comply with the requirements of the Plan, this Agreement and the state Prevailing Wage Law.

Redeveloper, Contractors and Subcontractors must also submit a certification of the following with each submission: (1) the records are true and accurate, (2) the hourly rate paid is not less than the general prevailing rate in Sangamon County, Illinois, and (3) s/he is aware that filing a certified payroll knowing such to be false is unlawful. At the

same time as submitting the certified payroll records as described above, Redeveloper, Contractors and Subcontractors shall also submit a second set of certified payroll records where the following information has been redacted/blackened out/removed: social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home and personal telephone numbers, personal email addresses, home address and personal license plates. All certified payroll records and certifications shall be submitted to: Office of Planning and Economic Development, City of Springfield, Illinois, 800 East Monroe, Room 108, Springfield, Illinois, 62701.

(d) If the information provided reasonably shows a violation of the Prevailing Wage Act, then the City shall notify the bidder of the possible violation by certified mail. If the Redeveloper does not cure the violation, or provide the City with sufficient information demonstrating compliance with the Prevailing Wage Act within five business days of receipt of the written notice of possible violation, then the City, after consulting with the Office of Corporation Counsel, shall refer this matter to the Illinois Department of Labor for the purpose of conducting an investigation and hearing to determine whether a violation has occurred.

(e) It is a mandatory requirement upon the Redeveloper or its Construction Manager to post the applicable Prevailing Wage Rates for each craft or type of work or mechanic needed to execute the contract, project, or work to be performed, (820 ILCS 130/4 *et. seq.*).

K. Disclosure of Information

Redeveloper shall provide to the City the following:

- (3) A statement that Redeveloper and each contractor (including sub-contractors) performing work for the Project have not been found by the Illinois Department of Labor to be in violation of the Prevailing Wage Act within the two year period immediately preceding the date of the application for Assistance.

If any of the information provided by subsections (1) through (3) above is found to be

inaccurate, then the City may, at its sole option and in its sole discretion, terminate this Agreement. Under such circumstances, any and all Assistance provided shall be immediately returned by the Redeveloper to the City.

- V. **Board selects Chairperson for Joint Review Board**
Tom Osborne moved, Mayor Langfelder seconded, and unanimous approval of Brian Gleckler to act as Chairperson.
- VI. **Review Responsibilities of Joint Review Board**
John Brancaglione reviewed the JRB responsibilities. Board members are appointed based on the districts that actually have representation within any given area. The first meeting has to be held within the time window that is specified in the statute. We've met the timing required by establishing this date. The Board has the ability to call additional meetings. However, they have a limited amount of time in which they can render their opinion which is the 30 day window from today. The project area that has 75 or more inhabited residential units or that would result of the displacement of 10 or more, requires the establishment of a public member, and would

otherwise require a housing impact study. The housing impact study is not required in this instance. The board's role is to determine if the project area meets the requirements of the statute for purposes of designation. There is the 30 day window in which the board can vote and it can be today. The board's role is to base their recommendation to approve or disapprove. The Board action is by virtue of the members present, there is not a quorum requirement. So in essence, approval or disapproval, unless the members elect to have a subsequent meeting is up to the parties present today.

VII. Presentation regarding proposed Redevelopment Plan and Project for the Adirondack TIF Redevelopment Project Area and the proposed ordinances.

John Brancaglione presented the TIF Plan.

VIII. Discussion and recommendation of the Joint Review Board to the City Council

Brian Gleckler asked about the timeline for the development. John Brancaglione replied that the Public Hearing is scheduled for March 6th, and the statute has timing requirements stating that the City Council cannot introduce an ordinance sooner than 14 days. Victor Salerno is allowing for 3 months to close on the project with an estimated project completion of 16 months.

Mayor Langfelder presented to the members the documentation for the Recommendation of the Joint Review Board Regarding the TIF Redevelopment Plan and Project for Adirondack TIF Redevelopment Project Area.

Based on the voting members present, the motion carried to present the recommendation of the Joint Review Board regarding the Adirondack TIF Redevelopment Project.

**INDEPENDENT AUDITORS' REPORT
ON COMPLIANCE**

October 26, 2023

The Honorable City Mayor
Members of the City Council
City of Springfield, Illinois

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Springfield, Illinois, as of and for the year ended February 28, 2023, and have issued our report thereon dated October 26, 2023. We conducted our audit in accordance with auditing standards generally accepted in the United States of America.

Compliance with laws, regulations, contracts, and grants applicable to tax increment financing districts is the responsibility of the City of Springfield, Illinois' management. In connection with our audit, nothing came to our attention that caused us to believe that the City failed to comply with provisions of Subsection (q) of Section 11-74.4-3 of Public Act 85-1142, "An Act in Relation to Tax Increment Financing," insofar as it relates to accounting matters for the Central Area (Downtown) Tax Increment Financing District, the Dirksen Parkway Commercial Tax Increment Financing District, the ENOS Park Neighborhood Tax Increment Financing District, the Far East Side Tax Increment Financing District, the MacArthur Boulevard Corridor Tax Increment Financing District, the Northeast Tax Increment Financing District, the SHA (Madison Park Place) Tax Increment Financing District, the Lumber Lane Tax Increment Financing District, and the Peoria Road Redevelopment Area Tax Increment Financing District, however, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the City noncompliance with the above-referenced statute, insofar as it relates to accounting matters.

This report is intended solely for the information and use of the City Council, management, the State of Illinois, and others within the City and is not intended to be, and should not be, used by anyone other than the specified parties.

Cordially,
