- VI. Review Responsibilities of Joint Review Board**
John Brancaglione reviewed the JRB responsibilities. Board members are appointed based on the districts that actually have representation within any given area. The first meeting has to be held within the time window that is specified in the statute. We've met the timing required by establishing this date. The Board has the ability to call additional meetings. However, they have a limited amount of time in which they can render their opinion which is the 30 day window from today. The project area that has 75 or more inhabited residential units or that would result of the displacement of 10 or more, requires the establishment of a public member, and would

otherwise require a housing impact study. The housing impact study is not required in this instance. The board's role is to determine if the project area meets the requirements of the statute for purposes of designation. There is the 30 day window in which the board can vote and it can be today. The board's role is to base their recommendation to approve or disapprove. The Board action is by virtue of the members present, there is not a quorum requirement. So in essence, approval or disapproval, unless the members elect to have a subsequent meeting is up to the parties present today.

VII. Presentation regarding proposed Redevelopment Plan and Project for the Adirondack TIF Redevelopment Project Area and the proposed ordinances.

John Brancaglione presented the TIF Plan.

VIII. Discussion and recommendation of the Joint Review Board to the City Council

Brian Gleckler asked about the timeline for the development. John Brancaglione replied that the Public Hearing is scheduled for March 6th, and the statute has timing requirements stating that the City Council cannot introduce an ordinance sooner than 14 days. Victor Salerno is allowing for 3 months to close on the project with an estimated project completion of 16 months.

Mayor Langfelder presented to the members the documentation for the Recommendation of the Joint Review Board Regarding the TIF Redevelopment Plan and Project for Adirondack TIF Redevelopment Project Area.

Based on the voting members present, the motion carried to present the recommendation of the Joint Review Board regarding the Adirondack TIF Redevelopment Project.

**INDEPENDENT AUDITORS' REPORT
ON COMPLIANCE**

October 26, 2023

The Honorable City Mayor
Members of the City Council
City of Springfield, Illinois

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Springfield, Illinois, as of and for the year ended February 28, 2023, and have issued our report thereon dated October 26, 2023. We conducted our audit in accordance with auditing standards generally accepted in the United States of America.

Compliance with laws, regulations, contracts, and grants applicable to tax increment financing districts is the responsibility of the City of Springfield, Illinois' management. In connection with our audit, nothing came to our attention that caused us to believe that the City failed to comply with provisions of Subsection (q) of Section 11-74.4-3 of Public Act 85-1142, "An Act in Relation to Tax Increment Financing," insofar as it relates to accounting matters for the Central Area (Downtown) Tax Increment Financing District, the Dirksen Parkway Commercial Tax Increment Financing District, the ENOS Park Neighborhood Tax Increment Financing District, the Far East Side Tax Increment Financing District, the MacArthur Boulevard Corridor Tax Increment Financing District, the Northeast Tax Increment Financing District, the SHA (Madison Park Place) Tax Increment Financing District, the Lumber Lane Tax Increment Financing District, and the Peoria Road Redevelopment Area Tax Increment Financing District, however, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the City noncompliance with the above-referenced statute, insofar as it relates to accounting matters.

This report is intended solely for the information and use of the City Council, management, the State of Illinois, and others within the City and is not intended to be, and should not be, used by anyone other than the specified parties.

Cordially,
