Village of Plainfield Route 30 TIF District
Statement of Activities
2023

Route 30 TIF District continues to accumulate a TIF increment. In Fiscal 2023, the expenditures in the TIF district included the payment of 50-percent property tax rebates to the other units of local government participating in the TIF district (per the intergovernmental agreements that were established concurrently with formation of the TIF district as a “50-percent take” TIF) and payment of the property tax rebate to the developer of “The Boulevard” development per its economic incentive agreement. The economic incentive payment totaled \$329,066.13 and the total rebated to units of local government was approximately \$300,000.

With the fully stabilized Costco Wholesale site and the completion of a multi-tenant building nearing occupancy, as well as strong interest in the balance of the project, the property tax increment for the TIF district should grow in the coming years. Staff anticipates proposals for additional new commercial development during the 2023-2024 fiscal year with potential redevelopment opportunities that will require TIF assistance. Staff is also working on updating the redevelopment plan to guide request for TIF assistance as the retained Route 30 TIF increment continues to build.
