(Tax Increment Allocation Redevelopment Act [the "Act"],
65 ILCS 5/11-74.4-8a (2017))**

Ladies and Gentlemen:

Please be advised that I am the City Attorney for the City of Geneva, Kane County, Illinois, and I have examined the following Documents relative to the City's East Side Tax Increment Financing District under the Act:

1. Ordinance No. 2000-12, No. 2000-13 and No. 2000-14 approved by the corporate authorities of the City adopting the Redevelopment Plan, designating a portion the East Side Business District of the City as a Redevelopment Project Area, and adopting tax increment allocation financing for the redevelopment area.
2. A Certification by Kevin R. Burns, Mayor of the City, dated September 10, 2024.
3. Notably, the Illinois State Legislature adopted Public Act 103-0575 which was approved by the Governor on December 8, 2023 extending the term of this District until the completion of redevelopment projects and financing bonds.

I have reviewed the forgoing items, and it is my opinion that the City of Geneva, as of April 30, 2024, is in compliance with the Act.

Yours Very Truly,

CHARLES RADOVICH

**Activities Statement
Geneva Fox River Redevelopment District
FY 2024**

The Geneva Fox River TIF was established in 2016 to further the planning and development objectives outlined in the Downtown Station Area Master Plan. Redevelopment incentives have induced the retrofit of a vacant and underutilized gas station into a Dunkin Donuts and the rehabilitation and retrofitting of a historic residential structure into offices for Coldwell Banker. Work was also completed to vet development opportunities for an opportunity site adjacent to the Fox River.

A vacant opportunity site, assembled in 2017 and cleared in 2018, has been entitled for development of a new mixed-use building. Finalization of a Redevelopment Agreement is pending to assist with utility and site preparation cost. Progress is underway to bring forward the redevelopment of the former Bottling Works block as a developer is proposing a 128-unit residential development at the property generally bounded by North River Lane, Stevens Street, North 1st Street, and Ford Street. The proposal includes a 5-story apartment building with 114 units, and two, 7-unit townhome buildings. In addition to these projects, the State of Illinois Department of Transportation has complete land acquisition for roadway and streetscape improvements on East State Street to allow for the letting of the project for construction.
