An extension may be granted upon mutual agreement of the Parties. If funds are not accessed within the 6 month period, or mutually agreed upon extension, the City has the right to terminate or suspend the Assistance and the ordinance. If the Redeveloper does not cure the violation, or provide the City with sufficient information demonstrating compliance with the Prevailing Wage Act within five business days of receipt of the written notice of possible violation, then the City, after consulting with the Office of Corporation Counsel, shall refer this matter to the Illinois Department of Labor for the purpose of conducting an investigation and hearing to determine whether a violation has occurred.

5. It is a mandatory requirement upon the Redeveloper or its Construction Manager to post the applicable Prevailing Wage Rates for each craft or type of work or mechanic needed to execute the contract, project, or work to be performed, (820 ILCS 130/4 *et seq.*).

INDEPENDENT AUDITOR'S REPORT
ON COMPLIANCE

October 29, 2025

The Honorable City Mayor
Members of the City Council
City of Springfield, Illinois

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Springfield, Illinois, as of and for the year ended February 28, 2025, and have issued our report thereon dated October 29, 2025. We conducted our audit in accordance with auditing standards generally accepted in the United States of America.

Compliance with laws, regulations, contracts, and grants applicable to tax increment financing districts is the responsibility of the City of Springfield, Illinois' management. In connection with our audit, nothing came to our attention that caused us to believe that the City failed to comply with provisions of Subsection (q) of Section 11-74.4-3 of Public Act 85-1142, "An Act in Relation to Tax Increment Financing," insofar as it relates to accounting matters for the Adirondack Tax Increment Financing District, the Special Allocation Project Account (Downtown Tax Increment Financing District), the Dirksen Parkway Commercial Redevelopment Area Tax Increment Financing District, the ENOS Park TIF Project Tax Increment Financing District, the South Grand Point TIF Project Tax Increment Financing District, the Lumber Lane Tax Increment Financing Redevelopment Project Area, the MacArthur Tax Increment Financing District, the Northeast Tax Increment Financing Project, the Peoria Road Tax Increment Financing Project Redevelopment Project Area, and the Madison Park Place Tax Increment Financing Project, however, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the City noncompliance with the above-referenced statute, insofar as it relates to accounting matters.

This report is intended solely for the information and use of the City Council, management, the State of Illinois, and others within the City and is not intended to be, and should not be, used by anyone other than the specified parties.
