STATEMENT OF ACTIVITIES FY 25-26

Revenue

Increment revenue in FY26 totaled $831,261. Total increment to-date is $8,068,944.

Project 1 - TIF FORMULATION/ENGINEERING/ADMINSTRATION

In FY26, the TIF Financial Compliance Report and audit for the prior year was completed, for an expense of $1,500.

Project 8 - EDWARD ATHLETIC AND EVENT CENTER/DOWNTOWN SITE REDEVELOPMENT

The Village worked with Harbor Construction to construct the Romeoville Athletic and Event Center to develop the downtown area. The Village entered into agreements for Harbor to act as the General Contractor for the Athletic and Event Center, Downtown Public Infrastructure and Road Improvements and Master Developer for the Downtown Area. The Village approved a GMAX contract for the Athletic and Event Center and finalized the GMAX contract for the public improvements in FY 14-15. The Athletic and Event Center fully opened in April of 2014 and hosts numerous annual events and tournaments. In FY19-20, the Village spent $982,483 to plan for the renovation and expansion of the current Athletic and Event Center and the construction of an Aquatic Center and Splash pad. In 20-21, the Village began construction of a 23,200 square foot athletic center expansion on the land south of the Edward Hospital Athletic & Event Center. During FY20-21, $6,547,787 was used toward the design and construction of the Athletic Center expansion. The expansion of the athletic center will allow the Village to keep up with the increasing demand for tournament and event space, in addition to providing long sought-after community amenities. The project will add an NBA style center wood court with bleacher seating for 227 spectators. The courts can also be reconfigured as two additional basketball courts or 4 cross-courts. The addition will have a separate lobby, restrooms and storage space. The expansion also includes reconfiguration, remodeling, upgrades and refreshing of the current space. In 21-22 $2,900,373 was used to finish the expansion project.

Project 23 – Downtown Retail Center

In FY22-23 $87,000 was paid to Sammys LLC to reimburse for development related expenses related to the construction of a downtown retail facility. Project costs reimbursed in 23-24 totaled $113,000.

Project 24 - DEBT ISSUANCE

During the fiscal year ending 21-22, the Village issued General Obligation Bonds 2021A for $1,985,000 to be used to refund the Series 2013B outstanding GO Bonds which resulted in a net savings of $216,000. Payments of $5,178,697 were made in fiscal year

2021-2022 toward outstanding principal and interest and servicing costs and for the refunding of Series 2013 bonds. The Village issued, in FY 19-20, $20,250,000 million in General Obligation TIF backed taxable bonds. The bonds will be used to expand the Athletic Center and construct the Aquatic Center and Splash Pad. The bonds are similar to those used to originally construct the Athletic and Event Center. Downtown TIF funds will be used to pay the debt service on the bonds. The bonds have a 20-year life. Interest costs are 7,327,800. Cost of issuance was $250,000. The Village received $202,700 in bond premiums. In October 2021 (Series 2021A), a portion of the Series 2013B bonds were refinanced, saving approximately $216,600 in future debt service costs In FY26 debt related expenses totaled $2,788,198.

Project 28 – Sonic Restaurant Incentive

$75,000 was used for the redevelopment of the former Checkers location on Route 53/Independence Boulevard into a Sonic branded location. The agreement provides for an incentive to the developer of $75,000 in TIF funds in two installments, the first being due once the location opens for business, and the second due six months thereafter. The reimbursement is only payable to reimburse otherwise TIF eligible redevelopment costs incurred on the project.

Project 29 – Aquatic Center

The Village of Romeoville constructed a new free-standing indoor Aquatics facility located to the west of the existing Athletic and Event Center building. The facility is approximately 21,300 gross square feet. The main spaces include indoor aquatics space, men's and women's locker rooms, family changing rooms, a dedicated space for vending, and party rooms with direct access to the pool deck. Indoor features on the plan include a water slide, a current channel, an interactive play area, wellness 3 lane lap pool area with a zero-depth entry. The filtration room will be appropriately sized to serve both the indoor aquatics functions as well as an adjacent exterior splash pad. The facility will contain family changing rooms that are accessed only from the exterior and are intended to serve the adjacent splash pad. The splash pad would feature a shelter, picnic tables, and shade sails. This will be the first indoor pool and the third and largest splash pad for the Village. Construction began in 21-22, in DY22-23 $9,564,731 was used for construction of the facility. $15,723,722 has been spent to date.

Project 30-Starbucks

In FY22-23, $150,000 was used for development expenses for a second Starbuck's location in Romeoville.

Project 31

In FY24-25, $200,000 was used for development expenses for a redevelopment of Romeo Crossings which included a new parking lot.

Project 32- Alexander Parking Lot
